

VENDOR NETWORK · LAUNCH ANNOUNCEMENT

The Nodera Health Vendor Network is open.

Reach every cash-pay clinic on the network — through one integration. Skip the per-clinic contracts. Skip the per-clinic sales cycle. Get dispatched automatically the moment a clinic launches a program.

Rx

Clinics use us to activate programs.

Nodera powers turnkey cash-pay programs — Sleep, Metabolic, Longevity, Hormone, Recovery — for growing clinics nationwide.

1x

You plug in once.

One vendor onboarding. Zero per-clinic BAAs. Portal-based dispatch, SLA tracking, and clinic-facing service delivery.

Recurring, predictable demand.

Every clinic launch fans out to the vendors tied to the program. Not one-off referrals — a demand engine.

WE'RE ACTIVELY RECRUITING

Diagnostics & Labs

Pharmacy (incl. GLP-1)

Home Sleep Testing

PAP Therapy

Remote Patient Monitoring

Digital Health & Wearables

Wellness Services

Fulfillment & Logistics

1

ACTIVATE

Clinic picks a program from the Nodera catalog.

2

LAUNCH

Clinic enrolls a patient in one click.

3

DISPATCH

Every vendor tied to the program is notified with patient contact + service due-by. You take it from there.

Apply in under 60 seconds.

Beta stage means we keep it light — give us your company info and we'll follow up to walk through fit, services, and operational details.
